INNOVATION AND ENTREPRENEURSHIP COMPETITION

MACAO

for Technology Enterprises from Brazil and Portugal

2022

Leverage the edge of Sino-Lusophone Platform in Macao and Hengqin to

SET SAIL in GBA

Competition Date: 29/09/2022

Theme: Healthcare & “Big Health”;
Novel Material, New Energy, Environmental Protection

Venue: Macao Science Center, Convention Center

About the Competition

To provide development opportunities for innovative startups from Portuguese-speaking countries to settle in Macao, Hengqin, and the Greater Bay Area (GBA), the Competition requires that the participating startups :

- are recommended by designated local supporting entities.
- will be selected by the judging committee consisting of professional investors, academics, heads of financial institutions, and representatives of incubators.
- will have opportunities to soft-launch in the GBA.

In addition to prizes and certificates, the winning startups will also have the opportunities to be referred to renowned venture capitalists, financial institutions and incubators in China, enabling them to get a head-start in finding partners and capital resources in the Greater Bay Area .

8-minute

Pre-recorded Roadshow Video +

3-minute

Q&A Session
